

## PRODUCT INFORMATION

### PRO CARE PRO40 MULTIPURPOSE SPRAY

#### Description

**Pro 40** is a mineral oil-based, universal multifunction oil for five areas of application: Corrosion protection, lubrication, cleaning, rust removal and contact spray.

#### Benefits

- Excellent rust and corrosion penetration for effective rust removal
- Excellent lubricating properties
- Corrosion creep of dirt, grease and oil residue
- Produces a thin, viscous protective film that protects against moisture even on the smallest irregularities
- Suppresses water and moisture

#### Application

- Loosens rusty bolts, pipe fittings, screws, nuts, joints, Bowden cables, shafts, locks, etc
- Lubricates closures, hinges, bushes, chains and door locks
- Cleans and maintains plastic and metal parts
- Prevents corrosion on metals and electrical components, cable connections, relays, plugs, couplings, etc

#### Instructions

Clean surface to be treated if necessary. Spray evenly from a distance of app. 20 cm.
