

## PRODUCT INFORMATION

### PROCARE WHEEL RIM CLEANER

#### Description

**Wheel Rim Cleaner** for gentle removal of stubborn dirt such as brake dust and other road dirt from steel and aluminium rims.

#### Benefits

- Excellent cleaning performance
- Good material compatibility with all materials used on rims
- No corrosion on wheel bolts and steel parts

#### Application

- For removing dirt from aluminium rims, steel rims and plastic wheel caps

#### Instructions

Spray rims evenly from a short distance away. Allow to soak in for 1-5 minutes depending on the degree of soiling. If necessary, remove stubborn dirt with a sponge or brush. Then rinse thoroughly with clear water or a high-pressure cleaner.

Notice

- ! Do not use in direct sunlight or on hot rims.
- ! Do not let it dry.
- ! Store in a frost-free place.
